

Forward looking statements

Certain statements in this release are or may be forward-looking statements. These statements typically contain words such as "will", "expects" and "anticipates" and words of similar import. By their nature, forward looking statements involve a number of risks and uncertainties that could cause actual events or results to differ materially from those described in this release.

Our Values

Vision

To be a leading real estate and healthcare company in Asia, advancing the wellbeing of those we serve.

Mission

- 1 To win the hearts and minds of our customers through quality homes, healthcare and lifestyle offerings, as well as people-centric services.
- To build a talent-driven organization that prides itself on operational excellence and bringing out the best in our people.
- To embrace innovation and technology in the constant pursuit of developing better products and processes.
- To inspire our customers, communities, and partners towards a more sustainable future.

Values

AGILITY

- Thrive in dynamic environments and anticipate change.
- Innovate and capitalize on new opportunities.

CUSTOMER FOCUS

- Put the customer first in every aspect of our business.
- Go the extra mile to earn customer trust and loyalty.

EXCELLENCE

- Strive to be the best and uphold the highest standards of quality without compromise.
- Unleash the full potential of our talent to deliver outstanding performance.

STEWARDSHIP

- Be responsible for our resources, environment and communities.
- Create lasting, positive impact for all stakeholders in our ecosystem.

1Q25 Business Performance Highlights

Real Estate and Lifestyle segments deliver positive performance in 1Q25.

- 1Q25 Marketing Sales reached IDR 1.26tn, achieving 20% of the FY25 target, reflecting resilient demand across key projects for affordable landed house across multiple regions.
- Revenue grew 39% YoY to IDR 1.74tn, supported by early handovers of residential and commercial units, while EBITDA remained stable at IDR 321bn, highlighting in time project deliveries.
- New product launches, such as Park Serpong Phase 4 and Blackslate Series in Tanjung Bunga, recorded strong take-up rates of 96% and 88% respectively, driving continued sales momentum and reinforcing strong end-user interest in affordable landed housing.

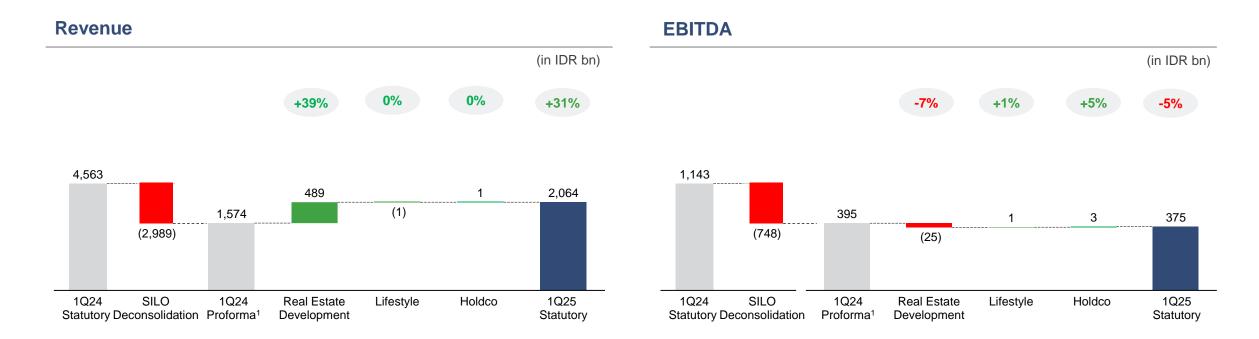

- Lifestyle revenue rose 13% YoY to IDR 322bn, while EBITDA increased 59% YoY to IDR 106bn, driven by stronger tenant leasing momentum and continued cost optimization initiatives across mall and hotel operations.
- Mall footfall averaged over 11 million visitors per month, marking an 8% YoY increase, while mall occupancy improved to 82.2%, up 3% YoY, reflecting stronger retail recovery and higher tenant demand across major locations.
- Average hotel room rates rose 8% YoY to IDR 641k, surpassing pre-pandemic levels, although average hotel occupancy softened slightly to 54% amid a transitional market environment following seasonal holidays.

 SILO has yet to publish its 1Q25 financial results, pending completion of the limited review process.

LPKR delivered 31% revenue on a like-for-like basis, driven by Real Estate segment

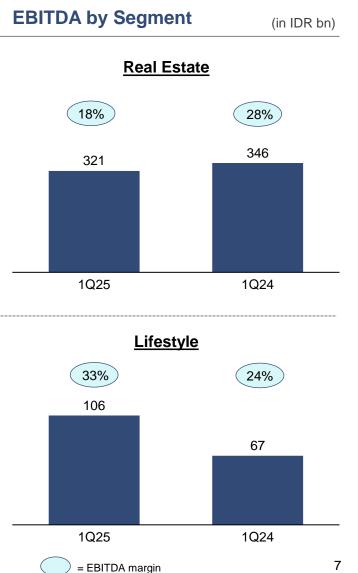

- On a like-for-like basis, LPKR delivered proforma revenue growth of 31% YoY in 1Q25, driven by 39% YoY increase in Real Estate Development revenue, supported by (i) early handovers of the Park Serpong and Cendana Essence in Karawaci, as well as Cendana Spark and Waterfront in Cikarang, and (ii) stronger performance from the Town Management business.
- LPKR recorded EBITDA of IDR 375bn in 1Q25, sightly down by 5% YoY on a like-for-like basis. The decline was primarily driven by lower margins in the Real Estate segment, due to a different product mix. Meanwhile, the Lifestyle segment delivered positive EBITDA growth, underscoring the strength and resilience of LPKR's diversified business model.

NPAT reached IDR 169bn in 1Q25 compared to loss of IDR 179bn in 1Q24, with 74% reduction in interest expense

^{1 1}Q24 includes Siloam financials & 1Q25 excludes Siloam financials after its deconsolidation

² EBITDA excludes non-cash adjustment of Siloam's historical assets write-down in 1Q24

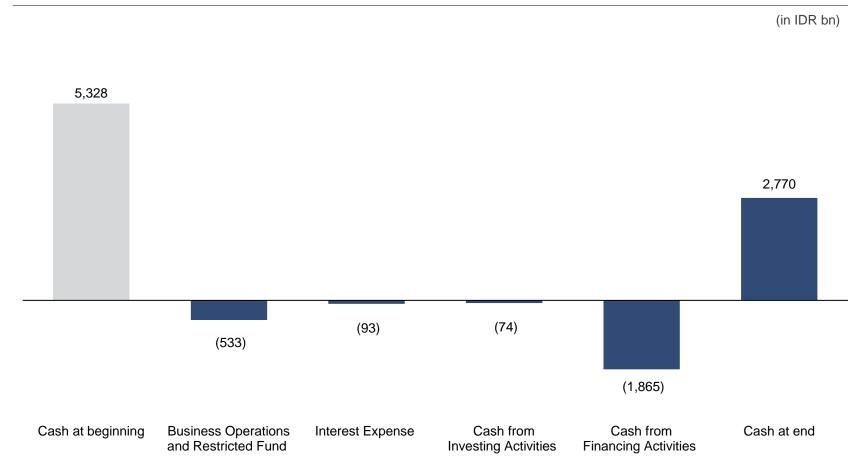

³ Others mainly consist of the rental equivalent expense component from the PSAK 73 leasing calculation

⁴ Non operational accounting adjustment from SILO one off in 1Q24, bonds buyback, FX and others

Healthy liquidity position supported by lower financing costs and debt repayment in 1Q25

Remarks

Operating Cash Flow

Interest expense payments declined significantly in 1Q25, supported by the successful execution of bond buybacks and loan repayments carried out throughout 2024 and early 2025, resulting in lower financing costs

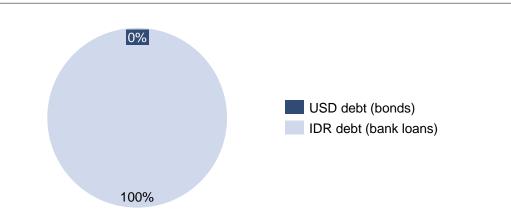

Financing Cash Flow

LPKR continued to reduce debt and strengthen its balance sheet through the successful repayment of IDR 1.04tn (USD 63.7mn) in bonds and IDR 740bn in bank loans

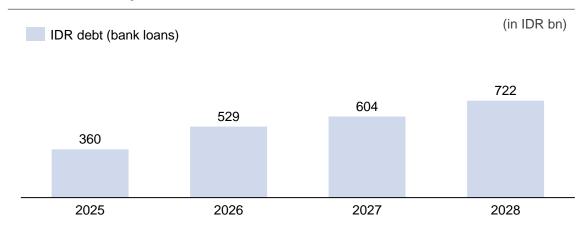

LPKR achieves 100% IDR-denominated debt composition with a scheduled amortizing loan facility, ensuring continued progress in deleveraging efforts

Lippo Mall Indonesia: The largest mall developer and operator in Indonesia

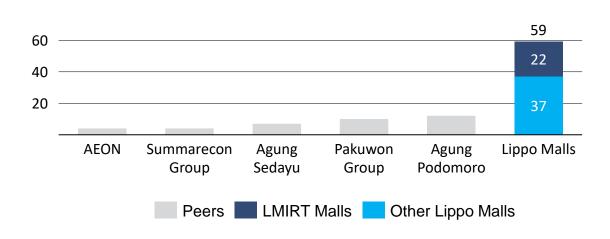

About LMI

- Lippo Mall Indonesia is the largest mall developer and operator in Indonesia with 59 managed malls nationwide across 39 cities in Indonesia. The company has the largest operational net leasable area comprises of 2.5+ million sqm. There are over 200+ international tenants in Lippo malls, and tens of thousands of local tenants and MSMEs.
- Established in 1992, Lippo pioneered the concept of the lifestyle mall as a one-stop destination in Indonesia. The mall is at the heart of every Lippo development, where communities, families and people come together.
- Visitors to our malls can enjoy benefits such as promotions and exclusive services via our loyalty app "Styles".

Well-diversified Tenant Mix

Leading Player in the Number of Malls Operated

Supported with Well-known Tenants

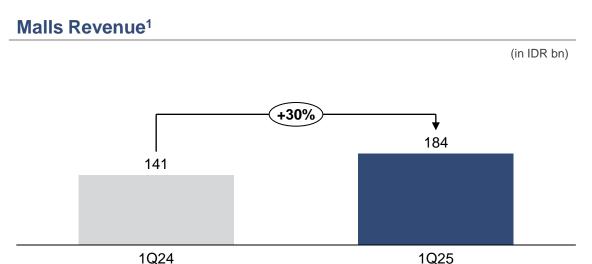

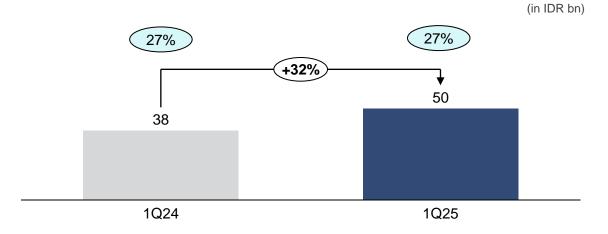

Malls deliver growth in revenue, EBITDA, and footfall with occupancy reached 82.2%, outperforming industry average of 77.7%

Alun Alun Nusantara: celebrating Indonesia's heritage under one roof at Lippo Mall Nusantara

Alun-Alun Nusantara spans an impressive 14,000 square meters and boasts a seating capacity of a thousand, making it the first and largest indoor Indonesian-themed food court in the heart of the business district.

In collaboration with Indonesia's largest bank, Bank Mandiri, this vibrant space has been unveiled under the name Livin' Alun-Alun Nusantara.

Designed to embrace the unity of Indonesia's diverse ethnicities, Alun-Alun Nusantara offers a truly immersive cultural experience. It brings together the authentic tastes of Indonesia through over 200 food tenants, showcasing flavors from the west to the east of the archipelago. From traditional street food to regional delicacies, every dish tells a story of Indonesia's rich culinary heritage. A dedicated non-halal section is also available to cater to wider tastes and preferences.

At the heart of this vibrant space lies a digital history museum, a unique centerpiece that honors the legacy of Indonesia's national heroes who fought for independence. Through modern displays and interactive storytelling, visitors are invited to reflect on the nation's journey and the spirit of unity that continues to define it.

Alun-Alun Nusantara is more than a place to eat, it is a destination where history, culture, and culinary arts come together in harmony.

Entertainment in Malls: shifting to experiential retail

Playtopia at Plaza Medan Fair

Timezone at Sun Plaza Medan

Playtopia Sports (Ice Skating) at Lippo Mall Puri

Playtopia Sports (Go Kart) at Lippo Mall Puri

Data-Driven Leasing

Lippo Malls leverages consumer insights to prioritize experience-focused tenants that align with evolving spending habits and offer value beyond e-commerce.

Enhanced F&B Mix

Introduced diverse dining concepts: trendy cafes, casual eateries, and premium F&B clusters to boost foot traffic, dwell time, and visitor experience.

Tenant Mix Shift

Reduced reliance on hypermarkets/supermarkets while increasing entertainment and leisure offerings to attract broader customer segments.

Supermarket

~94,000 sqm (~10% NLA in 2023)

~77,000sqm (8% NLA in 2025)

WEF Stakeholder Capitalism

ISSB Transition

2022 SR

- Early adoption of TCFD Framework and SASB standards, which formed the basis for ISSB standards.
- Set measurable ESG targets for material topics under 2030 Sustainability Agenda.

2023 SR

- Quantification of climate risks starting with first climate scenario analysis and preliminary climate-related financial impact assessment.
- Commenced ISSB transition with gap analysis and reporting roadmap.

2024 SR

- Expanded scope of risk assessment and strategies to address non-climate sustainability risks and opportunities.
- Improved ESG data quality, reporting processes, and control environment, supported by internal audit and roll-out of Group-wide data management system

Looking Ahead

- We offer distinctive products including Cendana Suites, XYZ, Q Livin, Blackslate Homes, and The Hive series, catering to diverse market segments across Park Serpong, Lippo Cikarang Cosmopolis, and Tanjung Bunga Makassar.
- LPKR has set a marketing sales target of IDR 6.25tn for FY25, representing a 16% increase from the FY24 target. In 1Q25, LPKR achieved 20% of its full-year target, reflecting resilient demand despite macroeconomic headwinds. While maintaining an optimistic outlook, LPKR will continue to closely monitor global macroeconomic conditions and proactively manage risks to safeguard future performance

- Mall performance continued to strengthen, with average monthly footfall reaching 11 million visitors. We recently opened Livin' Alun-Alun Nusantara, a 14,000 sqm Indonesian-themed food court, as part of the major renovation of Lippo Mall Nusantara, aligning with the Group's asset enhancement initiatives.
- Hotels are seeing growing demand from family and business leisure guests, supported by strong F&B revenue growth from social events, MICE, and weddings.

- SILO's focus on advancing complexity and clinical excellence in CONGO UN specialties has driven strong performance, while the ongoing Next Gen Siloam (NGS) initiative is further strengthening capabilities and supporting sustained growth as a leading healthcare provider.
- SILO is actively expanding its pipeline with plans to add 1,124 new operational beds by 2027, strengthening its nationwide hospital network and reinforcing its leadership position as a premier healthcare provider in Indonesia, while addressing the growing demand for high-quality medical services.
